

VISIT TO SERBIA, MACEDONIA AND ALBANIA

Albania

We ask for your prayers for a sister in an arranged marriage to a Moslem which she desperately wants to pull out of, yet the consequences are very severe.

Tunisia

You will recall a prayer request from a brother who had been betrayed by his family, and he was anxiously awaiting his father's return home, and had to hide his Bible in a hole. Here is the latest news:

dear brother..!!

yeh, I'm ok it s true that my family igniore me, especialy my father it is true that he had'nt done anything to me (he hadn't kick me out of the house and he hadn't call the police) but he refuse even to look at me; thanck to god for all, and thanck you and all my brother for them prayers

Libya

You will recall the saga involving our dear brother N who is a refugee from Eritrea. He was trying to board a ship to cross the sea to Italy; several of the ships making the crossing [illegally] had sunk and many drowned. However, we are pleased to say that thanks to your prayers and God's grace, he is now somewhere in Italy in a camp.

Please continue praying for all these cases! And many thanks for your care and prayer so far!
