CHINA

Brother Feng reports the baptism of LEE, another Bible Basics contact in yet another part of China where so far as we know the true Gospel hasn't spread far:

"Greeting in the name of Christ! Everything goes smoothly, please see the baptism photos attached. We reached the swimming pool, but it was quite strange that nobody else wanted to come in there at the time, in such sweltering weather, with temperatures over 35 degrees Celsius, Just we two and a janitor were present. As we began to read Romans 6:4 "Therefore we are buried with him by baptism into death: that like as Christ was raised up from the dead by the glory of the Father, even so we also should walk in newness of life" and prepare for the baptism, well during this time, the janitor came and said: I heard you were talking about Jesus and baptism, I was also once a Christian . I said that was great, I came here to baptize bro Lee , so could you please take photos for us, he agreed . After the baptism, we three had a wonderful conversation for a long time. The gospel is really preached all over the earth.The time of His coming is near".

Brother Feng also reports that the Chinese translation of *The Real Christ* is nearing completion, and the text is already useful in challenging the trinitarian ideas being spread into China by western Christians. When the text is completed- hopefully in September, God willing- it will need to be published and distributed. Anyone moved to support that work, which will be a great encouragement to the Chinese brethren who have done all the work, are welcome to contact us.

BROTHER SERGEJ

We're pleased to report the wonderful conversion and baptism of SERGEJ. More details in the Carelinks mail out.

NEW WEBSITE / PRAYER REQUEST

We're pleased to launch <http://www.bible-basics.info> , a website with the 5th edition of *Bible Basics* online. It is blind friendly, with each section / webpage available as an MP3 file. Many thanks to the brothers and sister who responded to our appeal to read the book onto MP3 files.

Messianic Jewish congregation

A while ago, we asked for your prayers for a Jewish woman who'd been attending our meetings at the Riga Bible Centre, after leaving the synagogue. Some months after that prayer request, she responded to the Gospel in baptism. So we conclude that the prayers of a few thousand Carelinkers worldwide is indeed a very powerful thing. We have for a while now been in contact with a Messianic Jewish congregation, and they have read through much of our literature. They rejected the Trinity a while back, and have now finally reported that they accept our view of Satan. Some had already accepted this, but now the rest have accepted it. They look for the personal return of Jesus to Israel to re-establish God's Kingdom on earth. There are of course other matters to discuss with them, and we're planning a trip to them soon, Lord willing. So... please do pray that they will all accept the true Gospel in its entirety.

With love from your brothers and sisters of Carelinks
