We're delighted to report the baptism this week of MEHRAN . Our brother gave a brief interview in broken English - at <https://www.youtube.com/watch?v=5wLRnYnzdiE>

and a bit more fluently in French, and in more detail,

at <https://www.youtube.com/watch?v=1a2lmE0slIM>

He explains how he was a Kurdish Christian who fled persecution, and speaks of the utter impossibility of living in Mosul after the ISIS takeover. He openly speaks of how nervous he is of his testimony going on YouTube, for fear of Islamic reprisals, but he wants it to go there because he is convinced of his commitment to Christ. He explains how he believes in the Christian principles of turning the other cheek rather than using violence as Islamic jihad does, and how his deeper Christian commitment in baptism now means that he is prepared to die with Christ, that is his form of radicalism, and so although he fears death as any man does, he is willing to die for this cause.

Our brother was introduced to the Truth by our brother Farid, whose baptism we reported in an earlier message, who is very active in working with us in spreading the Gospel to others in Belgium.

The baptism took place at the home of another Kurdish Christian who was shot in the leg and still has shrapnel in his leg muscles. The bullet was only removed once he arrived in Belgium and his leg is permanently damaged.

We made a brief video of him and his leg at <https://www.youtube.com/watch?v=e9LIQIUc0-I>

It's a reminder that radical Islam is actively killing and maiming Christians at this very moment.

The baptism of Mehran is a powerful reminder that there is only one cause, one Leader, worth giving our lives to; the one cause, philosophy, set of beliefs, that will not disappoint, the one Leader who will never be exposed as having feet of clay... the politics of the Kingdom of God, and the things of the Lord Jesus, truly demand our all and we should willingly offer it.

UKRAINE

Please do continue to pray for our brothers and sisters in Eastern Ukraine. Some have managed to leave the area, leaving behind all they once had; others are still there. The situation is really unbearable and we are open to donations towards the related welfare issues.

The *Ukraine Bible School* was planned to be held in a sanatorium in **Kiev**, but at the last minute they had to cancel out on us because of the need for sanatoriums in relation to the war in Eastern Ukraine. The number of deaths is pretty huge but the numbers of wounded are many times that, most of them civilians.

We've found another venue, but we ask for your prayers for those travelling to the School, including the children some are planning to bring with them. The School is scheduled to begin on 31 July, God willing.

GAZA VIDEO

We've produced a movie analyzing the situation with Hamas, Gaza and the Palestinians and seeking to locate it within the framework of Bible prophecy.

It's at <https://www.youtube.com/watch?v=Uc5GUJ85Ccw>

WINTER FEEDING PROGRAM

Everyone who's come out to **Riga** and helped feed and teach the many needy people here have found it a life-changing experience, and all are eager to repeat it.

But we do need workers over the Winter period; you can come for a minimum of 1 week or a maximum of 3 months. Please do prayerfully consider it... and let us know.

The program is already starting to fill up.
