Your special prayers are invited for the **Summer Bible School** in Moscow which starts next week, God willing. Brothers and sisters will be travelling from all over the former USSR, some up to 3 days each way. The number of kilometers travelled by all attending will be enormous, and every one is travelled for the Lord, for the sake of His word and to His glory.

There is an amazing work being achieved by the Lord through the Bible and *Bible Basics* distribution and feeding schemes which Carelinks are sponsoring. We're pleased to report this week a further three baptisms. We'd like to draw attention to our new PayPal account which can receive donations to our work- the address is tiybible@yahoo.com

CHINA

Brother Ai reports: "This weekend I visited our Bible readers (a couple who had received Bibles and literature from us) in Nanjing area, but it took 3hrs by bus from city center. They are both labor workers in a factory and I baptized QIAN thinking of John 3:23: "And John also was baptizing in Aenon near to Salim, because there was much water there: and they came, and were baptized". There are still lots of Bible contacts, most of them are middle aged person who don't speak English. But also there are some people who can speak English, they are interested in English Version. Some brothers come to our Church meetings regularly, but they can't all come on the same day, I am thinking to invite them all to come together, so they can know and encourage each other."

RIGA

The work of the Bible Center continues to attract unusual blessing from the Lord. A woman named OLGA has been attending our meetings and has been keen to assist with helping us clean up, cleaning the toilets etc. This led her to enquire further of our motivation for all the work being done, and this of course is where we were able to explain the underlying doctrinal basis for our faith in and commitment to the Lord Jesus. So here's Olga at work clearing up after a feeding program, and then giving her confession of faith to Cindy, and being baptized:

The brief northern European Summer means we can perform baptisms in the sea and lakes

around Riga, and we're pleased to tell you of the baptism of IGOR, a very keen searcher for truth who loves downloading our MP3 talks onto his phone and listening to them:

With love from your brothers and sisters of Carelinks
