RIGA

The Lord's special blessing upon the *Riga Bible Center* continues, and there is a wonderful evidence there of men and women being given talents by their Lord which they are indeed trading for His glory. Here's our old and sick sister Medina, in her 80s, cleaning the tables after one of the feeding schemes:

There are huge needs here for assistance- light building and painting work this Summer, regular financial support, and to come over and assist in the Winter feeding program later this year. Do be in touch with us if you feel able to respond, and please do continue your prayers for us.

This week we were pleased to baptize RONALDS and SAIVA , more fruit from the outreach being made into the Latvian community here. Saiva overcame cancer and then started wondering why she had been spared, asking what actually there is to do with life... and started reading the Bible. And was thence led by providence to the *Bible Center*, and now to baptism:

UKRAINE

Please continue praying for our brothers and sisters in Eastern Ukraine, and for us as we seek to support those there in the heart of the conflict. The Ukrainian army continues shelling civilian targets in Slavyansk, where there are brothers and sisters. Shells hit a preschool building and a hospital, killing and injuring several, including children. Our brothers and sisters are genuinely grateful for the help provided so far.

CARELINKS UK

The Gospel continues to spread to all kinds of people in the UK, as it does worldwide. This week we were delighted to baptize MAURICE at Marcus and Gwladys's home. The event was attended by brothers and sisters from Walton and Horley ecclesias. Brother Andy Downton led us in a breaking of bread afterwards,

If you like cute movies, we have a summary of the Gospel doctrines in 4 minutes by a 4 year old at <https://www.youtube.com/watch?v=RUBsA9t4be0>

We have a large shipment of Latvian Bibles arriving soon at Marcus and Gwladys's home in South Croydon, UK, some time in the last week of June, GW.

Help is needed in unloading them if possible. But also, they need driving over to **Riga**, Latvia. We'd need to get a van from somewhere . And whilst doing the run, we guess various other items for the *Riga Bible Center* could be thrown in as well. Anyone up for helping with these things?

The drive would take you right across Europe, and there are plenty of touristy things to do en route, if you so wished.

Please do contact us if you can help.

CARELINKS USA

Theme “*God at Work in Human Life*”

The objectives are:

To motivate each other by real life examples and make it relevant to our daily lives.

To challenge the idea of 'the mission field' being somehow 'out there'; for New York is as much the mission field as New Amsterdam or Moscow or Nairobi or London.

To ensure that each of us take away a positive message and be personally challenged to witness as we engage in prayer more fervently.

The following topics will be presented:

Ø The 11th Hour Workers (Matt. 20:1-16) /An Introduction to *Carelinks Christadelphian Ministries*

Ø The lame, maimed and blind (Matt. 22:1-14) /From South Sudan to Angela

Ø The Slowness and Silence of God (Gen. 50:15-26) / From China to James

Ø God delegates (Matt. 25:14-30) /To Ludmila, to Joseph and to you

Ø The Active Lord - From Cuba to Queens

Ø The *Riga Bible Center* (There has been an average of one baptism a week in the Riga, Latvia ecclesia over the last few years. One of the most dramatic examples of God at work today in our community.)

Ø The Real Christ in the Middle East today- Accounts of wonderful work of young men and women

Ø Exhortation: Go work today in the vineyard

Presenters: Bro. Andy Downton - Horley, UK ecclesia
