### RUSSIAN BIBLE SCHOOL

As explained in previous messages, the **Russia-Ukraine** situation means that it's very difficult for brothers and sisters to travel between the two countries, and so we are holding the *Summer Bible School in two locations- in Kiev and Moscow*. The Moscow School was attended by about 20 brothers and sisters, and there was a very deep expression of appreciation from everyone for your enabling this gathering to happen in such troubled times. It was great to see a number present who have been baptized only recently, along with those baptized now over 20 years ago. Most are using the *Russian NEV Bibles*- again, a huge thank you to those who enabled the printing and distribution. Very deep and spiritual Biblical discussion continued late into the nights, and brother Evgenij along with brother Duncan gave talks which were well received and intently listened to and discussed. We made a brief movie about reasons why we are not Trinitarians, with everyone giving a brief reason for our beliefs on this point. Brother Pavel at 87 years of age made the 3 day journey from **Siberia** each way, and also contributed to the movie. He is really an amazing example of devotion to the brotherhood, thirst for fellowship and love of God's word.

### IRAQ / ISIS

We've had several asking what the prophetic significance of the situation is with ISIS and Iraq. It is surely significant, but we are so wary of trying to firmly locate current events in Bible prophecy... so with plenty of caveats as to the fallibility of such expositional enterprises, we've put together a presentation about it- [https://www.youtube.com/watch?v=XQ\\_e9m5yrk](https://www.youtube.com/watch?v=XQ_e9m5yrk)

### CARELINKS USA

We're pleased to report the baptism of ELIZABETH, another fruit of internet outreach. We also remind you of the upcoming Carelinks USA Conference in **New York** , July 18-20 God willing. More information at <http://carelinks.net/doc/events>

### RIGA

We're pleased to report the baptism of 80 year old FRANTISZEK, whose immersion was quite a challenge given his mobility issues:

We took a brief movie of the large crowd which gather outside the hall even before we open it- which is one hour before the meeting starts. The movie shows about 40 people, mostly baptized brethren and sisters, waiting for the hall to open for Monday evening Bible class. They are there

over an hour before we start the talk.
