

Latvia July 2009

Please do pray for our brother Leonid, more news and details about him are in the Carelinks email news.

Meanwhile, there has been continued wonderful progress with the preaching of the true Gospel in Eastern Europe. Last week Josh and Abby came with us to a remote spot on the Baltic coast to baptize LIDA, who converted to Christ in the underground church in the USSR period, but after several years contact with us has come to understand things more clearly and expressed her desire to be baptized. We made a movie of it at: <http://aletheiacollege.net/lidabaptism.html>

Greeting Sis. Lida afterwards:

Since we've opened the Riga Bible Centre, there have been lots of baptisms. Last week we were able to baptize brother OLEG and sisters IRENA and INNA. The progress is just amazing and we do ask for your continued prayers that these great blessings may continue.

And as a domestic notice, readers may like to know that Duncan & Cindy just welcomed Evija Gwladys Heaster into the world. Mother and baby girl are doing fine.

With love from your brothers and sisters of CCM
