The wonderful baptisms in **Wales** reported last week have resulted in an ecclesia at Gail Steve's home. And they had some real encouragement from the New Testaments distributed on the street in Merthyr Tydfil. The NTs have our SMS text number in them, and we received this text:

"Hi I received a (the new testament, new European version) as walking though merthyr town last week and I would like to look in to be biptized in to christ, I'm not sure if who I am texting is the man I had spoken to upon receiving my bible actually I wanted 6 as I had my family with me and wanted to make sure they had one but iv like some more information about being baptized if you will please, many thanks

Nicole Thomas. "

This was the woman smoking whom sister Gail spoke with for ages. We've put her in touch with Gail and co and they are all eager to get her ready for baptism. One can only praise God in humility for His grace in working with us. You can actually see the woman in the video of the Bible distribution at <https://youtu.be/viz6PPyucTI>, she's the one smoking a cigarette who came back for more copies to give to her family, and here's a still of Gail preaching to her:

If we go out on the streets prayerfully and hopefully, there are indeed people looking for Jesus. Especially those who feel somehow disenfranchised from society and standard Churchianity. Gail has all 16 of her grandkids there at her home for Sunday School every week, she teaches one class and our new brother Caleb another, and they have had a Sunday School play already. Just shows what is possible even amongst standard Western people.

The *UK Carelinks Conference* was a very encouraging and stimulating day. Some of the talks are now online- Steph Collishaw recalling the early days of our work in the Baltics nearly 30 years ago, and challenging us to keep vulnerable and sensitive, Phil Martin speaking of his amazing personal journey through rebaptisms and disfellowship to being a humble preacher of Christ;

Liz H challenging us to "Change", and reporting on our work in Italy;

FRANCE

Mike Betty drove from Latvia to the UK and on the way were able to meet with brother Nicolas in Lille, France. He is one of the refugees stranded on Mayotte who by God's absolute grace is now in France. They had good fellowship. In another location they visited a long term contact who has read many of our books over the years and has a Bible reading group who are now starting on *Bible Basics*. Our hope is that they will all come to baptism in due course:

READERS NEEDED

We are moving ahead with developing the *Bible app* but would be grateful for more donations if possible towards it. We also need to finish reading the *NEV Old Testament* onto MP3 files. Can anyone else help with this? Please let us know.

LATVIA

Our troublesome kitchen boiler [in the first photo] in the soup kitchen has now been replaced, Max Duncan went out and bought a new one thanks to kind donation:

Please keep praying for our daily work there.

PRAYER POINTS:

- For the new ecclesia and Sunday School in Wales
- For wisdom and resources in the development of the Bible app
- For Nicole and many such contracts in Europe who are responding to the Gospel we are sharing with them

With love from your brothers and sisters of Carelinks
