AUSTRIA

We're pleased to report the baptisms of ALI and ADEL , two Iranian refugees currently living in Austria, after a nightmare journey through Turkey. The day of their baptism they had to move from one room to another, and it was rather tragic to see all they have in the world is a bag of clothes. And their *Bible Basics* in Farsi, which you can see them holding as they wait at a tram stop in Vienna as we said goodbye. Please pray for the many asylum seekers who are coming to Christ in spirit and truth all over Europe, and do support our work with them as far as you can. Our new brothers were contacts of an Iranian brother in Riga. There are so many of these brave young men and women, our brothers and sisters in Christ, who are in need of our support in so many ways. They have made great sacrifices to break with all they once held dear, their families and culture, for the sake of their beliefs and faith in the Lord Jesus. Sorry to say, but we do need your financial support to enable our support of them to continue.

INDIVIDUALS IN NEED

We really appreciate your support for sister Irina's operation. We continually face many other issues of genuine need in the lives of sincere brothers and sisters which require support. We provide hot meals twice / week at the **Riga Bible Center**, but it was sobering to learn that a sister is six months pregnant but only ate on Sunday and Monday what was provided by us. We are providing medicines, clothes, more food and other support... here we are dropping off support for her and others at the Riga railway station. Our sister is totally committed to the Truth as witnessed by all visitors to the Riga Bible Center, keeping in touch with so many others in need and doing all she can to be an encouragement to others.

Here she is with the bag of clothes and food we handed over:

Then there are others who continue their struggle with terminal illnesses. We try to provide food and medicines for them, as they get no state support. Please do consider donating regularly - our PayPal address is tiybible@yahoo.com

And please pray for all these and many others, and for us to have wisdom and resources in helping them.

The last Carelink had an error message [a baseless one] on the following section, so we'll repeat it here:
