

## November 2015 Belarus, Australia, Unique Opportunity

### UNIQUE OPPORTUNITY

We previously described the providential set of circumstances which led to us being able to find a way of meeting the crowds of migrants at point of entry into Europe. We were briefly able to meet the migrant trains as they begin their walk along the railway tracks to the registration point in **Serbia** which deals with up to 14,000 migrants / day. Working with our local **Macedonian** brethren, we were able to give the very hungry migrants food and some toiletries- with a simple label on them, welcoming them to Europe and encouraging them to learn about the Lord Jesus from our website. You can view the video of the previous work at <https://www.youtube.com/watch?v=YhfgrNHsVVs>

In the last week of November God willing we intend to repeat this work. The trains carry between 400 and 700 people, including injured people, invalids, children etc., and they arrive every 2 hours. The people onboard are genuinely starving- even if they have money, there are no shops or access to food. It cost us around 200 Euros [300 \$] to feed each train load. Whilst we will not be able to work around the clock, unless we have more workers, we should be able to do many feeding sessions. So here's the appeal: *For funds, and for people to come out and help cook and distribute the food and toiletries. PayPal can be sent to tiybible@yahoo.com or to our local representatives; see <http://carelinks.net/doc/donations> . And would you come out?* There's nothing quite like standing in the darkness on that railway halt with hundreds of genuinely hungry, thirsty and needy people surging towards you- and you can give them something they really need, along with an invitation to learn of and accept the Lord Jesus. The images you will see and the experiences you will have will be far more permanent than countless holidays to the usual tourist spots.

Booked so far are Andy Taylor, Jon & Debs and Cardia Cwiecek . Do think of joining us- email [info@carelinks.net](mailto:info@carelinks.net) for more information. And please, pray for this unique outreach.

### BELARUS

For some time we've been teaching YURI online in Minsk, who first came to us from our Russian material on Facebook and YouTube, then requesting the *NEV Bible*, then *Bible Basics*. We put him in touch with local brethren who have just reported his baptism.

### CARELINKS AUSTRALIA

We keep discovering that more people than we might imagine are out there and interested in the Gospel. NICK in Western Australia is such a case. Disillusioned with church experience, he retained his interest in the

Lord Jesus and the Bible, which he had come to some years ago after experiencing a serious accident at sea. He lives quietly and seeking the Lord and His word daily. Like many people living on benefits or minimum wage, he has only a cell phone through which he accesses the internet. Surely the Lord led Nick to us as we were able to provide him with what he was seeking. It was a joy to baptize him. He's very shy and nervous and says he's never appeared on a video before- so you can hear his nervous but so sincere and spiritual testimony at <https://www.youtube.com/watch?v=AJ02TddDjR4>  
And here he is with his *NEV Bible* and *Bible Basics*:
