N.E.V. BIBLES IN NORTH AMERICA

Large stocks of these Bibles have now arrived in North America. They are high quality gold-leaf editions, with the Bible Companion dates printed next to each chapter, commentary on each page and a reduced version of Bible Basics at the back. They are ideal for giving to contacts e.g. at seminars. They are basically available free of charge [plus postage] for preaching purposes but once they are gone they are gone, so your donations would enable longer term reprinting and distribution. Please contact the following for copies:

LATVIA BAPTISMS

We're very pleased to tell you of the baptisms of SERGEJ, ANDREJ and SINTIJA at the **Riga Bible Center**. Andrej had been searching for the Truth for a long time and had attended most Protestant churches in Riga in his time; Sergej was the friend of another brother, and Sintija is a friend of brother Maris. In each case, word of mouth played a crucial role in their coming to our meetings. And **Riga Bible Center** is indeed widely known throughout Riga now. Here they are at the baptismal instruction class; sitting in Bible class at the hall; and sister Sintija being warmly greeted after her baptism:

POLAND

Brother Wacek of the Horley, UK ecclesia reports:

"Hi to all of you busy in Lord`s vineyard

Last weekend [Thursday] i went to Poland to do what i can. Being there together with Mieszko we managed to visit friend of Marlena. Her name is AGNIESZKA. We had wonderful time together around Word of God. She gave us amazing confession of her faith and we had no doubt in her solid understanding of scriptural principles we hold so dear. She longed for baptism in the covenant of Christ and we see no reason to keep her waiting any longer. On Friday 12.10.2012 we baptised her in local swimming pool in full view of public and her husband Grzesiu was also present. Her husband was very supportive to her decision and we pray that he also consider this step in his life. Agnieszka is a wonderful lady with hard life behind her, showing us again that God is choosing not those of good and posh life but those downtrodden, those who suffer but still love Him, Agnieszka is also testimony to work and love of our sister Marlena who herself goes through incredible suffering but in spite of this she is the source of comfort and example to us, her family and friends. I would like to thank those wonderful sisters: Marlena and Agnieszka for being what they are: true sisters in our Lord.

On Saturday we managed to visit group of people in Piotrkow Trybunalski. There is around 17 people in various stages of understanding of scripture who meet regularly in the house of Slawek and under his loving leadership. During their meeting they read and discuss Bible, pray together and sing beautiful with guitar talented Mariusz [brother of Slawek]. We were very impressed with their love and devotion to Bible and God Almighty. I think that there is potential in this place for an ecclesia in Poland [maybe the first] if they can get some spiritual assistance. Look forward to next years Carelinks Fraternal - God willing. Michelle sends love to all.

Love in the Lord, Wacek"

SISTER JOAN SHUKER

We are so sad to report the falling asleep in Christ of sister Joan Shuker, who along with her husband brother Leon was our Carelinks representative in South Africa. Our sister had a lifetime of missionary and caring work behind her, all performed with the utmost grace and in the spirit of our Lord Jesus. Truly, she served her Lord with distinction and along with brother Leon we all the more eagerly await the Lord's return to raise the faithful to life in His service again.

With love from your brothers and sisters of Carelinks
