APPEAL TO JEWS

Carelinks have always been keen to reach out by all means to Jewish people. Brother John Thatcher, the treasurer of Carelinks, has produced a very compelling presentation about why Jewish people reject Jesus- and why they need not fear to accept Him. It's

Sister Robin Jones writes: "As we draw near to the last days of the Kingdoms of Men it would be good to spread the message amongst God's chosen people that Jesus was and is their Messiah. John Thatcher has produced a youtube appeal and we would like it to go as far as it can. Hope you can forward and help spread the word. God Bless".

ISLAMIC STATE

We continue our Biblical analysis of the situation in the Middle East with two presentations:

UKRAINE

We appreciate your prayerful support of our petition regarding military service issues for our brethren in Ukraine. The 'truce' which has been announced has not really held and there are at least two of our number who are regularly hearing gunfire and shelling. One positive outcome of the situation there is that the restrictions on advertising our literature in the press have in practice been somewhat reduced, and we have been able to place an advert in the Ukrainian press for the first time in many years. Let's pray that people in this hurting country will come forward to the new life in Christ:

With love from your brothers and sisters of Carelinks
