

## September 2012 Bible Posting in the UK, Real Devil movie

This Sunday's *Bible Companion* readings include Luke 1, and there's an MP3 on this chapter at <http://www.aletheiacollege.net/audio/lk1.mp3>

### BIBLE POSTING IN THE UK

Many thanks to those who've offered to come to Marcus & Gwladys' home in Croydon to assist with unloading and mailing out several thousand Bibles. We've been given an arrival date of Wednesday September 19th in the afternoon, God willing. Will be great if you can come and assist with the actual unloading then but please confirm with us nearer the date. Outstanding requests for the Bibles number a few thousand. Marcus has been doing his best to prepare, putting labels on the envelopes so all you have to do is stuff them, and constructing an amazing trolley system [with some youthful assistance!] to enable helpers to more easily shift the Bibles from the road into the house and sheds:

So the weekend of Friday 21 and Saturday 22 September look likely days for the actual stuffing and mailout.

Please pray for this amazing spreading of God's word. There are interested contacts throughout the UK and several are already considering baptism, along with SYLVIA who was recently baptized from earlier such outreach work. Any ecclesia happy to work together with Carelinks in providing pastoral support to such folk are very welcome to contact us, as there are contacts all over the UK.

### REAL DEVIL

This 40 minute professional movie discusses and explains Bible teaching about Satan. It was shot in Riga during the Carelinks Missionary Training Program this Summer; so there are participants from New Zealand, America, South Africa, Nigeria, Sierra Leone, China, England, France, Brazil and Australia. It's jnow available with subtitles in over 10 languages with more forthcoming; you can view them at [www.realdevil.info](http://www.realdevil.info) . Over 2000 individuals have viewed it online and it's been shown to several groups. We are fielding a lot of response to it from all over the world. We have the 6 Gigabyte cinema quality original file and can send this on a disk to anyone interested. We screened it recently in Riga in front of around 90 people, with 40 minute discussion and debate afterwards. Brother Yuri read out the subtitles through the microphone as they are rather small for a large group. The movie was a great witness to the truly international flavour of the body of Christ:

**With love from your brothers and sisters of Carelinks**
