### BELGIUM

We periodically report on the intense spread of the true Gospel amongst the Iranian community in Western Europe; we're pleased to report that this is continuing. This week we made a visit to Belgium during which three men were baptized, all in different locations.

SOREN has been intensely searching the Bible and reading *Bible Basics* for some time, and has been in contact with several of our team by email. He is fearless in his desire to openly follow Christ despite being from a Moslem social background. It's such a pleasure to meet such totally sincere converts to Christ who so clearly see the error of Islam and simply want to be in Christ and love all things to do with Him. our brother gave a very heartfelt confession of faith:

We then met and baptized DAVOOD, here he is reading Romans chapter 6 before his baptism:

Finally we met TAHER in Brussels and again it was a pleasure to meet and baptize such a well read man who has carefully analyzed so many religions and forms of Christianity before coming to the real Christ and realizing he has the pearl of great price:

### CHINA

Br Donald reports:

"I baptized br ZHENG in a village in Henan province, till now we have sent Chinese Bibles to about 15 people in that province. It took me 1 hr to go across that peaceful mountain, blind curved road that can't see the car coming from the opposite side. Br Zheng who can't speak English at all dropped from Junior School as his family can't afford the tuition fees, he has 2 younger brothers and 4 Sisters. Now he works as builder in the city, moving from one city to another city but his wife and kids are still in that village, because in China a person who was born in this place he have to get education in this area, his kid can't go to school in the city. He likes our Chinese version of the *NEV Bible* and *Bible Basics* very much and finds that the world situation today is an evidence that Bible prophecy is the truth. The world situation with Iran's nuclear program, Syria's problems etc. are all things humans can't solve, and are a sign that

Jesus will come, and then all these problem will be nothing. Luke 21:25 "There will be signs in the sun, moon and stars..."

Br Zheng very happy after baptism:

I went also to Hangzhou, but I was quite disappointed that the contacts drew back, maybe they were afraid to meet a stranger who just come for preaching the Word of God? But I still left 3 English version *NEV Bibles* at a shop in the university as they requested, they wrote me later that they had received them."
