UKRAINE

We're pleased to report the baptism of ALEXEI, after an intense search for truth which led him through various groups until he found the truth of Christ. He lives in a village in central Ukraine, and has spent many hours reading our material off his tiny mobile phone screen. He has had many questions, and various Russian speaking brethren have shared in answering them. Again our young brother came to us after encountering us online and then from the Bible distribution work done by brother Maxim, and it was appropriate that Maxim should be the one to baptize him. The baptism was conducted in the (very polluted) Dnieper River, about 100 miles from the troubled city of **Donetsk**:

We're delighted to announce that another contact has baptized themselves despite a difficult domestic situation. Sister S emailed afterwards:

"I baptized myself on Thursday Sept 4 2014 shortly after my spouse went to work. This is an experience that I will treasure. I felt very good about this & it's taught me to do what I need to do for the now not tomorrow. I was so excited that I wore myself out. I wanted to celebrate but I celebrated in my mind. I called my family & they are very proud of me & I am proud of myself. I wanted to do this for me. It is a feeling that I can't describe unless you yourself experience this".

Our sister is more fruit of the *Bible Basics* and Bible distribution work which is ongoing throughout North America.

BIBLE PROPHECY VIDEOS

We continue producing videos commenting on the significance of the Middle East situation in terms of Bible prophecy. We have been blessed with many thousands of views across various channels. We have released these videos with no copyright, so they may be reproduced and shared by anyone- we only seek to get the word out there. This week we commented upon:
